

# OASES

Office for Attracting Strategic Enterprises  
The Government of the Hong Kong Special Administrative Region  
of the People's Republic of China

## OFFICE FOR ATTRACTING STRATEGIC ENTERPRISES

The Hong Kong Special Administrative Region Government is adopting a new targeted approach to attract representative and high-potential strategic enterprises from around the globe to set up or expand their businesses in Hong Kong. The Office for Attracting Strategic Enterprises (OASES) was established to:

Reach out to strategic enterprises proactively and carry out negotiations

Formulate **attractive bespoke measures** and **provide tailor-made plans** to facilitate the operations of strategic enterprises in Hong Kong

Provide employees of these enterprises with **one-stop supporting services** in areas such as visa applications and education arrangements for their children

### Four Strategic Sectors

OASES targets four major industries which are of strategic importance to Hong Kong:

**Life and health technology**

**Artificial intelligence and data science**

**Financial technology**

**Advanced manufacturing and new energy technology**

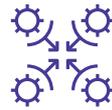

We provide **bespoke offerings** to attract strategic enterprises from around the globe. These tailor-made plans can cover aspects such as **land, financing, tax and investment**. A US\$3.8 billion Co-Investment Fund has also been set up for jointly investing in the business of enterprises coming to Hong Kong.

# One-Stop Window for Strategic Enterprises

OASES serves as a one-stop window to assist you throughout the whole set-up process from planning, setting up, launching, to further expansion. Our key services include:

Guidance in strategic implementation and evaluation of business decisions

Connection with critical stakeholders and strategic partners

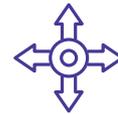

Market insights of specific industries

Setting up and business support (e.g. licensing, visa, intellectual property protection, tax, government funding schemes, talent schemes, business regulations, marketing and public relations, etc.)

Relocation facilitation (e.g. bank account opening, housing, healthcare, education and networking, etc.)

Aftercare services for continuous expansion of business
